

Teen Service Fellowship

The Who!

This Fellowship is for high school students who want to take service to the next level. They can become service leaders and see their impact multiply!

The What!

A six-month fellowship focused on fostering leadership skills and integrating them into meaningful service projects.

The Why!

We believe that teens are a valuable demographic of volunteers and they should be empowered to maximize their impact in service projects by leading them.

The How!

This program will provide interactive workshops, one-on-one mentorship, partnership with a service organization, access to an expanded network, and opportunities to bolster your resume or college application.

Teen Fellows Will

1. Be part of a 6 month Fellowship (January - June 2017)
2. Participate in three training workshops
3. Lead three service projects
4. Lead a Good Deeds Day project on April 2, 2017
